DeFaria & Stein

Case study

JOHN MELLENCAMP

Tour promotion through clips.

We turned John Mellencamp's performances and interviews into short videos to promote the 2026 tour, then distributed them through fan pages and commissioned creators.

01 · Edit the archive

Short-form editing

Performances and interviews cut into short videos, with text overlays, captions and context for the feed.

578,000

views on the top reel

Top reel	578,000
Featured reel	403,600

02 · Distribute the clips

Fan-page publishing

Campaign clips distributed across fan pages, pairing memorable moments with tour messaging and dates.

What we sell

Tour visibility

Keep the artist in the feed through clips of the performances fans know.

What we run

Clips, pages, creators

Short-form editing, fan-page publishing and commissioned creator seeding.

What you do

Keep making music

We handle clipping and distribution around the content you already have.

Views are public platform counts, not unique people or ticket sales. Facebook read Nov 8, 2026, lifetime including views after the tour; TikTok read Aug 5, 2026. Instagram cross-posts excluded to avoid double counting. Campaign delivered by WLDFR LLC.
